Vision Statement

A national leader, promoting asset management principles and practices, to inform investment decisions among Michigan's transportation agencies.

- **Mission Statement**

- To develop and support excellence in managing Michigan's transportation assets by:

1. Advising the Legislature, State Transportation Commission (STC), Michigan Infrastructure Council (MIC), and Transportation Committees
2. Promoting asset management principles and innovation
3. Providing tools and practices for road agencies
4. Collaborating and coordinating with Water Asset Management Council (WAMC) and other asset owners
